[www.beattiefit.com](http://www.beattiefit.com)

**BEATTIE STARTERS** gives you the opportunity to fit your perfect main floor and your perfect upper floor together to make your perfect house.

## glacier 1545 SQ.FT

You slip your key into your lock and step into your perfect Foyer where you kick off your shoes, set down your keys and walk into your perfect Great Room. You glance out your perfect windows, drape your coat across your couch and make your way into your perfect galley-style Kitchen. You search through your ample cabinet space to find the perfect snack, sit perched at your impressively perfect island where you've spent many nights laughing with your friends and you think to yourself...
